ATT. DAN AND NATHAN,

Dear Sir,

RE: APPRECIATION LETTER

Through your Initiatives, Wisdom stoves (Malaika jiko), our organization highly appreciates your positive support to our needy community as you provided our guardians with affordable Energy solutions. We highly look forward for more partnerships and collaboration now and in future, as we engage both in supporting the needy community.

Wishing you the best and God bless you abundantly.

Yours faithfully,

John K. Kiarie

Organization chairman
